

## Middle School Math Teacher (Full-Time)

The Academy of the Sacred Heart in New Orleans, founded in 1867, is an independent, Catholic, college-prep institution for girls offering 17 years of instruction for one-year-olds through twelfth grade. Academy of the Sacred Heart is one of 24 Network of Sacred Heart Schools in the United States-Canada sponsored by the Religious of the Sacred Heart (RSCJ).

### Job Description

The Academy of the Sacred Heart is seeking a **full-time Math Teacher for the Middle School (grades 5-8)**. The Middle School Math Teacher as a Middle School faculty member is directly accountable to the Middle School Division Head. S(he) works with the Division Head, Dean of Students, students and parents to ensure that the spirit and life of the school reflect the *Goals and Criteria* of Sacred Heart education. S(he):

- Understands, embraces, and implements the school's mission and philosophy as written in the *Goals and Criteria*; participates in the Christ-centered life of the school; and models the school's philosophy in working with students, parents, colleagues and administration.
- Works with the Division Head to execute responsibilities relating to the academic program: curriculum development and implementation, classroom management, student evaluation, grade reporting and parent communication, and to execute responsibilities as outlined by the Division Head and Department Chairs, which contribute to smooth department functioning.
- Works with the Division Head and Dean of Students to execute responsibilities relating to student life programs, extra-academic activities, student discipline and facility use.
- Works with the Middle School Guidance Counselor and Learning Specialist to aid students in achieving their maximum development and growth, both within and beyond the classroom, achieved through observation of students' behavior and needs, consultation with the Counselor, Learning Specialist, Division Head and other professionals, when indicated.
- Works with the College Counselor by providing input on students' character and academic performance, by writing college recommendations and by assisting with standardized testing, as requested.
- Attends and participates in the following: chapels, liturgical functions, retreats, faculty/department/in-service meetings, assemblies, parent assemblies, conferences and other school functions, as requested.
- Maintains professional currency by ensuring professional certification and actively participating in the professional development program (which includes opportunities for attendance at conferences, workshops and educational meetings, and for advanced degree coursework), and by regular reading of educational journals and discipline-related materials.
- Anticipates potential absences, due to illness, family, professional development, etc., and prepares work accordingly, notifying the Division Head in a timely fashion, in order that substitutes are called as needed.
- Agrees to fulfill the terms of the contract of employment.

### **Preferred Qualifications**

- At least three years of teaching experience in a middle or high school
- Certification in middle grade math and experience with Singapore Math methodology preferred
- Experience integrating technology, designing lessons with a STEAM approach, and building lessons to engage all learners
- Demonstrates a desire to innovate, create, and collaborate with students and colleagues
- Strong interpersonal and writing skills
- Exhibits flexibility, organization, and empathy
