THE SACRED HEART

Promise

Sacred Heart will continue to work to deliver on the Sacred Heart Promise to each of you, our students and parents, who have graciously selected Sacred Heart for your educational experience. Sacred Heart is more than an education – it's a way of life.

Founded in 1867 and grounded in the history of the Religious of the Sacred Heart, the Academy of the Sacred Heart is an independent, Catholic, all-girl, college-prep institution.

Our teachers and staff create a warm, nurturing and caring atmosphere of affection and freedom, stimulating personal growth for the whole child.

Our students thrive and grow as they discover their unique talents. Dedicated teachers draw out the potential of each student, who is confident as she masters the challenging academic curriculum in pursuit of new horizons. A deep respect for intellectual values is paramount.

Our students are alert to the needs of others and embrace a profound sense of social awareness. This leads to lives of conviction and action. They are courageous in building community as a Christian value.

Girls develop relationships both here and abroad. These enduring friendships transcend their years in school. Our graduates are alive with a personal and active faith as they learn to celebrate the mystery of God's goodness in their lives.
